

Sample Privacy Terms for AI Use

Sample Privacy Terms for Artificial Intelligence (AI) Use

1. Introduction

This document outlines the privacy terms for the use of AI services. Your privacy is important to us.

2. Data Collection

The AI services may collect data necessary for their operation, including but not limited to user inputs, interaction logs, and performance data.

3. Use of Data

Data collected is used to improve the AI services, analyze usage trends, and enhance user experience. Personal data is processed and stored securely.

4. Data Sharing

We do not share personal data with third parties without user consent, except as required by law.

5. Data Security

We implement a variety of security measures to maintain the safety of your personal information.

6. User Rights

Users have rights regarding their personal data, including the right to access, correct, and delete their personal information.

7. Changes to Privacy Terms

These privacy terms may be updated periodically. We will notify users of any changes by posting the new privacy terms on this page.

8. Contact Information

For any questions regarding these privacy terms, please contact us.
