Terms and Conditions for Artificial Intelligence (AI) Use

1. Acceptance of Terms

By using the AI services, you agree to these terms and conditions. If you do not agree, do not use the services.

2. Use of Services

The AI services are provided for research, educational, and informational purposes only. Commercial use is strictly prohibited.

3. User Responsibilities

Users must use the AI services in compliance with all applicable laws and regulations and must not use the services for any illegal or unauthorized purpose.

4. Intellectual Property

All content provided by the AI services, including but not limited to algorithms, data, and results, are the intellectual property of the service provider.

5. No Warranty

The AI services are provided "as is" and "as available" without any warranties of any kind, either express or implied, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, or non-infringement.

6. Limitation of Liability

Under no circumstances shall the service provider be liable for any direct, indirect, incidental, special, or consequential damages arising out of or in connection with your use of the AI services.

7. Modifications to Terms

The service provider reserves the right to modify these terms and conditions at any time. Your continued use of the AI services following any such modification constitutes your acceptance of the new terms.

8. Governing Law

These terms and conditions are governed by and construed in accordance with the laws of the jurisdiction in which the service provider is located.

9. Contact Information

If you have any questions about these terms and conditions, please contact the service provider.
